Concord, New Hampshire – September 9th 2009 – New England EnviroStrategies, Inc., a business specializing in, Environmental Consulting, received national certification as a Women’s Business Enterprise by the Center for Women & Enterprise , Boston, MA , a regional certifying partner of the Women’s Business Enterprise National Council (WBENC).

WBENC’s national standard of certification implemented by the Center for Women & Enterprise is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

About New England EnviroStrategies, Inc.

New England EnviroStrategies, Inc., is a values driven company that excels at providing strategic environmental consulting and water resources services to clients facing environmental compliance, remediation, litigation, permitting or risk communication challenges. To deliver our solutions, we use leading-edge technologies, a broad understanding of regulatory nuances and pioneering service delivery approaches. The Firm’s founding principal, Muriel Robinette sums up the firms’ success “We are pleased that our clients say that we have a reputation for quickly assessing tough situations, thinking on our feet and getting things done. We owe our success to client focus and service.”

About WBENC

The Women’s Business Enterprise National Council is the nation’s largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC’s certification as an integral part of their supplier diversity programs.
